

Soft-Landing stay for startups

Project Soft-Landing

SOFT
LANDING

Startup Division

Overview of the programme

Summary

- During this 1 week programme, startups from all over the EU will be deeply immersed into the epicenter of the Baltic startup ecosystem - Vilnius.
- The main goal of the programme is to provide tangible practical support in entering the Lithuanian market or benefiting from access to it.

Outcomes

1. Learn and understand why Vilnius is the coolest place for Blockchain.
2. Shake hands and have a 1-on-1 chat with all key stakeholders from the ecosystem, ranging from leading accelerators and VCs, to government officials and rock-star entrepreneurs.
3. Build strong relationships and identify opportunities for ground-breaking collaborations.

Location: Vilnius,
Lithuania

Duration: 1 week
When: June 11-15, 2018

Participants: 3 startups
with 2-3 people

Focus: Blockchain

What is in the programme?

Co-working space

- Co-working office in [Vilnius TechPark](#).

Practical support and advice for succeeding

- Workshops on specific topics, e.g. overview of Lithuanian business culture, legal matters, etc.
- Light business support from Startup Division team.
- Individually assigned, specific mentors.
- Experience sharing with the receiving hubs representatives, as well as between soft-landers.

The best events and networking

- Exciting site visits, events and conferences with free or discounted passes.
- Startup Divisions' flagship events.
- Social events with other startups and scaleups in the hub.

Why Blockchain is cool in the Baltics?

Gateway for global blockchain industry

EU's only hub for the digital ledger

Trending crypto area

In 2017 Lithuania logged 35 ICOs ranging from \$3M-\$151M, raising a total of \$500M in value

A new regulatory "sandbox" for blockchain startups

The platform will contribute to the creation of better conditions for the development of businesses

Blockchain Centre Vilnius

First international centre in Europe for education and development of decentralized technologies
