Mission for scaleups

WHAT IS A MISSION AND HOW
DOES IT WORK?

WHAT IS A MISSION?

MISSION FOR SCALEUPS: a tailor-made program to help startups and scale-ups explore a new ecosystem. Soft-landings allow companies to go to a new country and receive assistance from a local partner, who will help them understand the market dynamics and get connected with the ecosystem.

Benefits of the mission:

Connect with local industry players and meet other companies from the region

Access potential partners and customers

Gain a better understanding of the local ecosystem and the opportunities therein

Test your solution in the new market

Learn the processes to scale your business and find out about the available resources

Break knowledge barriers about the foreign ecosystem

Main goals of the missions:

Facilitate your entry into a new market

Learn the process of international expansion to a new country

HOW IT WORKS

APPLICATION

Apply to our soft-landing on
F6S

The deadline to apply is at
15th April 2019.

SELECTION

Get selected

A total of 5 soft-landers will
be selected to participate in
our program.

SOFT-LANDING

Go to the Soft-landing at
the Netherlands

Get to know the local market
and understand how to scale
your business here.

GOING BACK

Come back from the
mission

Go back to your home country ready
to share what you have learned with
local scale-ups.

SCALE UP

You are ready to grow
internationally

With an expanded network,
heaps of new knowledge and
more motivation than ever!

THE PROGRAM

**GENERAL INFORMATION AND
PRELIMINARY SCHEDULE**

THIS PROGRAM IS DESIGNED TO **MAKE GROWTH HAPPEN**

This soft-landing was specially created by experts in the Dutch market to help foreign FinTechs **enter the country** and **do business in The Netherlands**.

You will have one week of seminars, workshops, business meetings, mentoring sessions and special events.

The combination of these activities will help you validate your product in The Netherlands, connect with the market and create strategies to succeed in the country.

AGENDA

ACTIVITIES DESCRIPTION

WELCOME MESSAGE

The first activity of the program is the welcome message from the organizers.

This is where you will get to know our team and (re)analyze everything that is going to happen during the soft-landing.

PITCH-FIRE SESSION

Getting to know your soft-landing colleagues can lead to strategic partnerships and great friendships. Throughout the years we have seen many participants close deals among each other and set up reunions after the program!

To break the ice, each company will present their solutions to the other entrepreneurs. After that, we have put some time away to exchange business cards and get to know each other better.

WORKSHOP - SETTING UP AN INTERNATIONAL STRATEGY

With a strategic location, high tech infrastructure, multicultural community and international business climate, the Netherlands is one of the best places to scale-up your company.

One of our experienced mentors will explore the advantages the country has to offer to foreign companies and share their experience about setting up an international strategy in The Netherlands.

Session by: [uGlobally](#).

MENTORING SESSIONS

A 15 minute conversation with people who understand the market can save you hours of research and a great amount of investment.

You are going to have 2 hours of mentoring in the program with our experienced professionals.

You can choose among the following topics to discuss with them:

- Entry strategies
- Business plan
- Pricing
- Marketing
- Product fit

DOING BUSINESS

You will have time during your stay to work on your strategies and set up individual meetings with potential customers and partners.

Bear in mind that you should do your homework and set up meetings in advance.

SETTING UP IN THE NETHERLANDS

Understanding the differences between your target and home country is fundamental to start your operations effectively.

The program includes an complete explanation about incorporating in The Netherlands, from the reasons why to how to do it, as well as an overview of the tax scenario and the regulations for FinTechs.

Session by: [Briddge](#).

TRADE MISSION

During the first week of the soft-landing, there will be a chance to meet with several foreign ecosystem representatives from hubs in Paris, Vilnius and Berlin.

Their presence provides an excellent opportunity to network with FinTech experts from other European ecosystems and to expand your international network.

VISIT DUTCH ECOSYSTEM BUILDERS

We will visit and interact with some of the most relevant innovation spaces in South-Holland.

They will share their stories and explain how their services and network can be of help for you, entrepreneur, who wants to enter The Netherlands. In addition to that, we will also interact with companies from their space and hopefully establish relevant connections for your business.

Sessions by: ECE & CIC.

ROAD TO SUCCESS

One of the best ways to create a successful strategy is to learn from the experience of others.

Having that in mind, we are going to visit local FinTech entrepreneurs, who will share their journey and provide you with useful tips to succeed in The Netherlands.

Sessions by: [LiteBit](#), [Symbid](#), and more tbc.

GLOBAL OVERVIEW OF SOUTH HOLLAND

This talk will explore the unique region of South Holland, which contain no less than 60 municipalities, 3 renowned universities, and a strong international business community with a truly entrepreneurial spirit.

The region has a superior logistics and digital infrastructure, a competitive tax climate, highly educated and multilingual workforce and excellent quality of life.

Session by: [Innovation Quarter](#).

PANEL DISCUSSIONS

You will participate on discussions about many topics involving our ecosystem and business opportunities.

We will bring experts in the market to moderate the panels and provide the most valuable insights to enter the Dutch market.

Panelists: TBC.

AMSTERDAM FINTECH WEEK

The Amsterdam Fintech Week gathers relevant FinTech players in the regional, national and international levels.

During two days, we will be participating in sessions organized by different hubs and engaging with several FinTech players around the world.

Check the program here: [Amsterdam FinTech Week](#)

FINTECH SCENARIO

The Dutch FinTech scene has grown substantially in the last few years. Amsterdam and cities nearby are already one of the major hubs in Europe, attracting companies from all over the world.

This talk will explore the local FinTech ecosystem and provide you with amazing insights about how to succeed within this industry.

Session by: [Holland FinTech](#).

DUTCH INCENTIVES FOR TECH COMPANIES

The Dutch government provides tech companies with great incentives to bring their solutions to The Netherlands.

This seminar will describe some of the benefits that these companies have and how to take advantage of them as a FinTech.

Session by: [Startup Delta](#) and [RVO](#).

THE NAKED TRUTH ABOUT THE NETHERLANDS

Every country presents opportunities and challenges for international companies, and it is crucial to understand both of them in order to make an entry decision.

With that in mind, we will bring international entrepreneurs who decided to open and run their companies in The Netherlands to discuss their most honest opinions about Dutch opportunities and challenges.

Session by: [uGlobally](#), [ByCycling](#) and [ARlze](#).

NATIONAL FINTECH MEETUP

The national meetup of FinTechs in The Netherlands will be organized together with our soft-landing.

In the event, you will have the opportunity to **pitch your company** to over 50 people from the industry and get connected to the most relevant players in the ecosystem.

Session by: [Holland FinTech](#).

FEEDBACK SESSION

We are going to finish our program discussing the program and the insights that you got to enter the Dutch market.

Our experienced team, which has helped over 50 companies expand internationally, will provide you with valuable feedback and help you improve your strategic plan.

AT THE END OF THE PROGRAM YOU SHOULD HAVE ANSWERED THE FOLLOWING QUESTIONS:

- Why is The Netherlands an interesting country for my startup?
- What is the FinTech scenario in the Netherlands?
- How can I incorporate a company in The Netherlands?
- What are the costs of incorporating a company?
- How does the tax system work in The Netherlands?
- What are the regulations for FinTechs?
- How do I set up a strategy to enter the Netherlands?
- What changes can I make in my current strategies to be successful in The Netherlands?

TESTIMONIALS

"Soft-Landing programme in Zoetermeer was a game changer, a paradigm shift for us. Even after the 2nd mentoring session, we altered our business plan for a leaner, better and faster startup."

Quality of the participants were exceptional. We are glad that we took our part in this successful landing."

Kryptowatt

"Before coming to Zoetermeer, we did not know anything specific about the Netherlands ecosystem in regards to startups. During our visit, we receive a lot of information from different sources and realized all the possibility for bringing our business to the Netherlands."

It was also such a great experience meeting local people and other startups!"
